**APPLICATION TO FIX PRICE AND  
FOR ORDER OF PRIVATE SALE**

(O.R.C. §2127.32-§2127.33)

Now comes the Plaintiff/Fiduciary and represents to the Court that he/she was authorized to sell the real estate described in the Complaint; that the real estate has been appraised with a value of \$ \_\_\_\_\_; that he/she has made a bona fide attempt to sell the real estate at a sum not less than the appraised value, but has been unable to sell said real estate for a sum not less than the appraised value.

The Plaintiff/Fiduciary further represents that the following facts substantiate the sale at a lower price:

(Ex: the length of time on the market; the number of showings; whether the condition of the property has deteriorated since the Complaint has been filed, etc.)

The Plaintiff/Fiduciary further represents that he/she has received an offer to purchase the real estate for the sum of \$ \_\_\_\_\_; that it is the highest offer that has been received, and that it is in the best interests of the Decedent's estate to sell the real estate at a price less than the appraised value.

The Plaintiff/Fiduciary requests that the Court fix the price at \$ \_\_\_\_\_, for which the real estate may be sold and that the realtor commissions be allowed to the broker(s) upon consummation of the sale.

The Plaintiff/Fiduciary represents that a bond in the amount of \$ \_\_\_\_\_, has been previously given. The Plaintiff/Fiduciary requests that the Court determine whether said bond is sufficient or insufficient to protect the proceeds of the sale.

**JUDGMENT ENTRY  
FIXING PRICE AND FOR ORDER OF  
PRIVATE SALE**

This matter is before the Court on the **Application to Fix Price and for Order of Private Sale** filed by the Plaintiff; the Report of the Appraiser, if applicable; any Answers(s) filed by the Defendant(s), and the evidence.

The Court finds that all interested Defendants have been duly served with notice of the proceedings, or have waived notice of hearing and have consented to the granting of the Application.

**(Check which is applicable)**

The Court finds that the real property was appraised with a value of \$ \_\_\_\_\_ by the appraiser appointed in these proceedings and, it appearing upon examination that the report is in all respects regular and proper, it is ordered approved and confirmed.

**OR**

The Court finds that the real property was previously appraised with a value of \$ \_\_\_\_\_, and that further appraisal was dispensed with by prior Court Order.

The Court finds that the Plaintiff/Fiduciary has made a bona fide effort to sell the real estate at private sale for not less than the appraised value, but that no such sale has been made.

The Court further finds that the allegations in the Application are true; that the offer of \$ \_\_\_\_\_ is the highest and best offer that has been obtained by a willing purchaser; that the offer is less than the appraised value, but that it is in the best interests of the Decedent's estate to have a private sale at the reduced price.

The Court further finds that the offer was obtained through the efforts of a duly licensed real estate broker(s).

The Court further finds that the bond previously given by the Fiduciary in the amount of \$ \_\_\_\_\_ is  sufficient  insufficient to protect the proceeds of the sale, and that  no additional bond  additional bond is necessary to be given. **Any additional bond necessary to be given by the Fiduciary will be separately ordered in the related estate case.**

Therefore, it is **ORDERED** that the Plaintiff/Fiduciary proceed to sell the real estate at private sale for the fixed price of \$ \_\_\_\_\_.

It is further **ORDERED** that a real estate commission not exceeding a total of \_\_\_\_\_% or \$ \_\_\_\_\_ be allowed to the real estate broker(s) upon a sale being consummated through their efforts, and that the Plaintiff/Fiduciary make due return of the sale without unnecessary delay.
